PROFESSIONAL ACCOMPLISHMENTS

Chelsea has developed a deep understanding of the commercial real estate industry and the unique nature of the marketing strategies it demands. She has established a strong brand image for the company across all materials and platforms. During Chelsea's early years at First Capital Property Group, Inc. she spearheaded many company firsts such as implementing the use of drone photography and videography, adding Matterport virtual tours, establishing a consistent social media presence, attending events such as trade shows and community events with booth presence, introducing property videos to marketing strategies, creating pitch materials for new business development, and translating data, analytics and tracking to inform strategic marketing decisions and optimize campaigns for maximum impact.

Her excellent organization skills, verbal and written communication skills, and dedication to detail allows her to manage multiple ongoing projects across various team structures and departments with deadline expectations consistently met, if not, exceeded.

PERSONAL LIFE & INVOLVEMENT

Outside of the office, Chelsea enjoys going to theme parks and the beach as well as attending various sporting events with her fiancé. In the Fall, you can find her at nearly every UF home tailgate cheering on the Gators and she is often chasing the next country concert.
